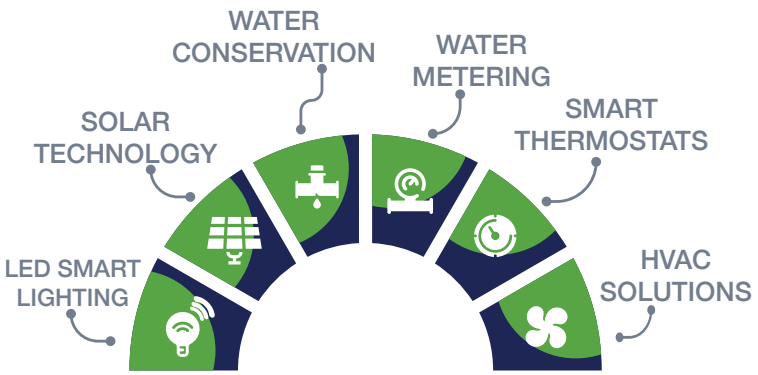
energyware
a better energy future

4 things you should know

Corporate Snapshot

Our Goal: A Better Energy Future



EnergyWare reduces and/or eliminates your electricity, water and gas bill; all made possible through energy efficiency technology deployed throughout various aspects of the business.

Our Reach: Serving National Enterprises

- Installations completed in 35 states
- Hundreds of thousands of products installed
- Over 300 unique happy clients
- National general contracting licenses

Most Popular **Financing Options**

Favorite

Least Favorite

- **Rental Agreement**
  - Operating expense with no fair market value markups at the end
- **Lease Agreement**
  - Low cost monthly operating expense
- **Capital Purchase**
  - 50% deposit on equipment purchase
- **Power Purchase Agreement**
  - Fixed utility costs; little to no out of pocket expense
- **Traditional Financing**
  - Historic low interest rates
- **PACE Financing**
  - Long-term financing attached to the property not the lessee
