Stericycle
largest medical waste
service provider
in the United States

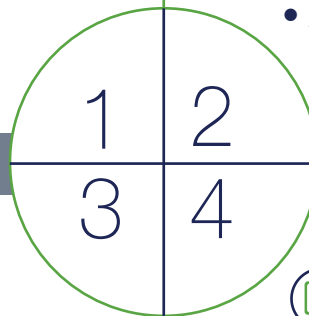

- Installations completed in 35 states & counting
- Hundreds of thousands of products installed
- Over 400 unique happy clients

- Avetta & ISN Certified

Most Popular Financing Options

- **Rental Agreement**
 - Operating expense with no fair market value markups at the end
- **Lease Agreement**
 - Low cost monthly operating expense
- **Capital Purchase**
 - 50% deposit on equipment purchase
- **Power Purchase Agreement**
 - Fixed utility costs; little to no out of pocket expense
- **Traditional Financing**
 - Historic low interest rates
- **PACE Financing**
 - Long-term financing attached to the property not the lessee

A Recent Win: Duke University

Why we won:

- Customized project portal
- Diverse and national expertise
- Organizational accountability
- Industry certifications
- Stellar customer onboarding
- One PM for the entire project
- Daily project updates

The project:

- 15 buildings
- 22,000 products
- 6 month project completion
